

Public Hall, Lodi, California, June 19, 1911.

In regular session of the Board of Trustees of the City of Lodi, the following trustees being present: F.O. Hale, G.E. Lawrence and C.A. Rich. Absent: J.M. Blodgett and L. Villinger.

The minutes of the meeting of June 12, 1911, were read and approved.

Henry Lighthouse was granted a permit to erect a brick building on lot 7 of Block 14.

W.L. Robison appeared before the Board and informed them that Dr. Colman had made complaint against them in regard to the drainage from the bar-room. He stated that they intended to build a new hotel and would probably start operations within sixty or ninety days and that they did not like to spend any money for plumbing at the present time, if they could help it. He said that he had talked with Gus Gerlach and had found out that it would be quite an expense to them, and that he would prefer to have the Board consider the matter and see if something could be done. He said if they did not build that they would attend to the plumbing. The Board promised to take the matter up with the Health Board.

T.E. Wilkinson appeared before the Board in regard to his application for a building permit, which was denied at the meeting of June 12th. He stated that the building was almost completed at the time the permit was refused and that he did not want to tear it down or move it away unless he had to. The President of the Board stated that the Board would consider the matter and let him know their decision on the 20th. inst.

Mr. Brower appeared before the Board and asked permission to remove the Pioneer Fruit Shed from its present site on the Railroad property on Main Street to Block 72 of the Barnhart Tract. On motion, the permission was granted.

Ordinance No. 56, amending Ordinance No. 46 was read and introduced and laid on the table for not less than five days.

Inspector Hepper stated that the pump at the septic tank was too small to pump the seepage water fast enough.

The price of electricity for pumping purposes at the septic tank was also discussed. The President of the Board said he would take the matter of rate up with Engineer Henderson on the 20th.

Supt. Henning stated that a number of Japanese on the East side wanted to lay a 3" pipe and purchase fire hose and wanted to know if the City would help pay the expense. It was the opinion of the Bd. that the City would not do so.

On motion, Board adjourned till June 26, 1911. *Sy. Carr* City Clerk.  
By *Wm. K. Starnes* Deputy.
